

2025 DAR Workgroup Volunteer Application

Workgroups of the Delaware Association of REALTORS® (DAR) include committees, task forces, subcommittees, etc., and are one of the key channels by which member voices are heard and incorporated into plans and actions. These vital volunteer groups enhance DAR's ability to implement its mission—to serve as the trusted voice for real estate, advocate for private property rights, and unite members in efforts to enhance the professionalism and relevance of REALTORS® across Delaware.
